JJim Fetzer, Ph.D., announces the 4th annual False Flag and Conspiracies Conference 2023 (FF&CC2023). Unlike past FF&CCs, this year **TICKETS ARE FREE** and we plan to broadcast LIVE on several platform (TBA on website closer to conference date). Speakers will answer questions from the audience as a "panel" after three/four presentations throughout each day.

Dr. Fetzer has curated an outstanding group of speakers who are highly qualified to address their topics. Learn what's really happening in the world today and sharpen your skills to deal with the challenges posed.

SATURDAY (9 AM- 1 PM/CT) will feature Ace Baker, Brian Davidson, Fred Leuchter, and Jim Fetzer on false flags and their exposure, with important examples; (1-6 PM/CT) Donald Jeffries, Stephanie Sledge, and Meryl Nass on COVID, Trump, and biological warfare; (6-11 PM/CT) Giuseppe Vafangulo, Joachim Hagopian, Rima Laibow, and Jack Mullen on kill shots, genocide against the human race, questioning the WHO, and freedom/privacy.

SUNDAY (9 AM-1 PM/CT) will feature Joe Olson, Brian Davidson, and Monique Lukens on crime in Texas, how false flags drive security spending, and the curious case of George Floyd; (1-6 PM/CT) Scott Bennett, Nick Kollerstrom, Russ Winter and Ron Avery on the war between Russia and Ukraine, between Israel and Hamas, and the myth of Israeli entitlement to the lands of Palestine; (6-11 PM/CT); Maryam Heinen, John Kaminski, Sarah Westall, and Dr. Katherine Horton on the descent of journalism in a technofascist age; religion as mind control; the battle for our brains; and how we can fight back.

Brought to you by Jim Fetzer, Ph.D., a former Marine Corps officer and McKnight Professor of Philosophy Emeritus, who has published 24 books in traditional areas of philosophy (computer science, AI, cognitive science, and evolution & mentality) as well as 12+ books of conspiracy research, having pioneered collaborative research on JFK, 9/11, Sandy Hook, the Boston bombing, and more. Six (6) of his books have been banned by amazon.com. This year he has been joined by Lorien Fenton, who has vast experience in the production of zoom conferences. Both are talk show hosts on Revolution.Radio and various other networks.
